

# DELONE CATHOLIC HIGH SCHOOL STANDARDIZED TEST VALIDATION FORM

**Directions**

Students who choose to take the PSAT, SAT, ACT or ASVAB must submit this form if they wish to earn elective portfolio points. The SAT, ACT and ASVAB tests are optional. Students who submit this form must do so upon receiving their results so that their scores can be verified.

- It has been proven that students who take the PSAT as sophomores or juniors do better on the SAT than students who do not take the PSAT. PSAT tests are only offered in October. All juniors will take the PSAT. Sophomores can choose to take the PSAT. There is a fee attached to this test.
- Students who are thinking about or are planning to attend college should take the SAT at least once during their junior year and at least once during their senior year. SAT tests are optional and are offered throughout the school year. Students can sign-up by going to [www.collegeboard.com](http://www.collegeboard.com). There is a fee attached to this test.
- Students who are thinking about or are planning to attend college are encouraged to take the ACT test at least once during their junior year and at least once during their senior year. ACT tests are optional and are offered throughout the school year. Students can sign-up by going to [www.actstudent.org](http://www.actstudent.org). There is a fee attached to this test.
- The Armed Services Vocational Aptitude Battery (ASVAB) provides information on possible vocational strengths. Students may opt to take this during sophomore, junior and/or senior year. Taking the test does not mean the students are interested in a military career, but it does provide information on possible vocational skill areas. Students interested in the military should definitely take this test and may take it three times while in high school. ASVAB tests are only offered at Delone Catholic High School in December. Students can sign-up for the test by inquiring in the Guidance Office. This is a free test for students.
