

DELONE CATHOLIC HIGH SCHOOL PORTFOLIO COLLEGE VISIT VALIDATION FORM

One of the best ways to discover if a college, university, technical or trade school is a good match for a student is to visit the campus. Students can earn one elective portfolio point each year during freshman and sophomore years and a maximum of four points per year during the junior and senior year for visiting a college, university, technical or trade school and documenting their impressions of the campus and its educational opportunities.

Directions

To earn the portfolio points for a visit to a post-secondary educational institution, students must document the visit and have an admissions representative sign the form below. During the visit, the student should ask a representative from the post-secondary institution to complete the form below. After the visit, the student should write a reflection about the visit using the prompts below on the College and Career Log.

COLLEGE VISIT VALIDATION FORM			
Student Name		Class Year	
School Visited		Date of Visit	
Representative Name		Representative Phone	
Representative Signature		Date	
Parent/Guardian Signature		Date	

REFLECTION WRITING PROMPTS

1. Describe your overall impression of this school.
2. Describe reasons you feel the school would be an asset for meeting your future goals.
3. Describe reasons you feel the school would not be an asset for meeting your future goals.
4. How has this visit helped you to clarify your priorities regarding school selection.

*Upload this completed form to the Portfolio Filing Cabinet and email it to the Mentor Teacher.
Notify Mentor Teacher when the reflection has been added to the College and Career Log.*
