What will we study in Global History II?

Over the course of the school year, we will be studying the second half of the Global History Curriculum. Global History II begins in the 1500's with Scientific Revolution and continues to the present day. We will spend the final weeks of the course reviewing both 9th and 10th grade material to review for the Global History Regents Exam in June. The Global Regents Exam consists of 50 multiple choice questions, a thematic essay, several document based questions and a document based essay. This course and the Regents exam are required for graduation.

**How do you make easier for yourself?** - Do what you are supposed to do!

Homework

Homework will be assigned as necessary. You will not have homework everyday. **All homework will be handed in at the beginning of the class period.** Homework will not be accepted at any other point during the period as it is assumed that you were working on the assignment in class instead of doing what you were supposed to be doing. If you try, expect a zero on the assignment.

Daily Expectations....

**Preparation** - You will need a three ring binder/notebook. Be sure to also have a pen (which works) and your homework. You may also be required to bring a USB drive to class. The expectation is to have one at all times. Assignments must be completed prior to entering the classroom. Be prepared to learn every day.

**Attendance**  Arrive to class **ON TIME.** (That means you are in the door BEFORE the bell rings!) We only have forty minutes together; I expect to teach you for the entire forty minutes. Being late will negatively affect your grade. Be sure to allow enough time for traffic and parking your car if you drive to school. Being late on PLC days and homeroom days will also affect your grade negatively and is not excused.

**Participation** Participate actively in class discussions and group activities. Ask questions and make regular, **educational** contributions to this class.

**Attitude**  - Have a proper attitude in this class and show a desire to learn. Do NOT make it difficult for others to learn. I will treat you and your opinions with respect. I expect each of you to show the same courtesy to your classmates and myself. Unacceptable language or behavior will not be tolerated.

Computer Assignments

This class utilizes computer programs like: Quizizz, One Note, Quizlet, and Plickers in the classroom. You will be expected to use it.

You should also check your school email for work and announcement for class. **DO NOT ASK ME TO EMAIL AT A PERSONAL EMAIL** - The school provides a free email for you to use.
LATE / INCOMPLETE WORK

All work is assigned with a purpose. There is no excuse for not handing in an assignment. Late homework or work will ONLY be accepted for a minimum of HALF CREDIT. LATE WORK IS ONE DAY AFTER THE DUE DATE. Failure to complete assignments by their due date will result in students needing to stay during a free period or after school to complete. Computer excuses such as “my printer broke” or “it’s on my computer at home” will NOT be considered valid excuses for work that is not turned in.

ALL IMPORTANT DATES, ASSIGNMENTS, ANNOUNCEMENTS, REVIEW RESOURCES AND TEST AND QUIZ DATES CAN BE FOUND ON MY ECHALK WEBSITE.

ABSENTEE POLICY

* YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT!

If you have an excused absence, you are responsible for making up assignments. If you are absent for an extended period of time, let me know ahead of time to prepare something for you. I can send materials via email. Work will be on the class website, if you cannot find it - email me in a timely manner.

Movies in class

To keep the material relevant and engaging, we will watch movies and documentaries such as Gandhi, Saving Private Ryan, the Last Samurai, Hotel Rwanda, and Schindler’s List among other digital media. The students will also be required to keep an eye on the news thru television (CNN, FOX, etc.) or YouTube. The materials will connect to important themes such as World War I and World War II. These films have a rating of PG to R. Some films contain scenes and language that are intended for mature audiences; however, I make a strong effort to use my discretion and censor these whenever possible and refrain from showing excessive nudity or violence. These documentaries and films will be shown to all Global History II students, however, if for any reason you object, other arrangements will be made.

PLAGIARISM

Plagiarism is the taking ideas and writings of another and passing them off as one’s own.

In this class, plagiarism includes...
1. turning in another’s work as one’s own
2. copying work from a friend before class (or while in another class)
3. including a source but failing to cite it
4. copying an author’s exact words and passing them off as one’s own

Students caught plagiarizing will be given a ZERO for the assignment.

CHEATING

* The teacher will notify the administration and contact parents if cheating / plagiarism is suspected.

* The student will be given a zero for that particular test or assignment.
