The Scientific Revolution to the Enlightenment: Baseball Cards Project

Group Rules:
- Divide the Scientists/Philosophers equally among your group.
- Each person is responsible for the research on their people.
- Only the chosen topic should be subject of any discussion in group.
- Each group will receive a group grade that indicates how well they were on task and worked together.

Cards:
Front: On front of the card, put the person name in fairly large letters. Decorate to reflect the ideas of the person.
Back: Divide the back into 3 sections: (must have 2 items in each section)
- Major Achievements/Philosophy/Idea
- Quotes
- Any Published Materials

Each member must have all 12 cards in their deck, but they are to use the research of other members for the information. Accuracy, importance of facts chosen, and creativity will be part of your grade. See check list on the back.

Thinkers of the Scientific Revolution
Nicolaus Copernicus
Galileo Galilei
Francis Bacon
