Directions:
1. Watch the Crash course or Brain pop video on the Agricultural Revolution. Watch, pause or rewind as often as you need. Links can be found on the class website for Global 1, accessible from the district or high school home page. If using Crash course, you must be able to separate his humorous stories from fact; and also skip the “open letter” segment 6:50-7:50.
2. Complete this worksheet with the definition of agricultural revolution & a list of the advantages and disadvantages of the agricultural revolution.
