The Penn-Trafford School District utilizes the support and instructional expertise of Reading Specialists to assist students who qualify for this program. The Reading Specialist assists students in need of assistance within the **regular classroom environment**. It should be noted that this program is supplemental and not meant to replace the basic reading instruction your child is presently receiving in the classroom. Every effort will be made not to pull your child out of their regular classroom environment. This letter is to inform you that your child qualifies for this program based on the data checked below:
