Student and Parent Acknowledgement

I understand that completing this form does not guarantee selection to NHS, and that information presented here is accurate and signatures are genuine. I will accept the decision of the Faculty Council charged with the responsibility of selecting members as final.

I have read all directions to complete the information packet.

I understand that having a cumulative GPA of 3.8000 or better is just one criterion for NHS consideration. As stipulated by the NASSP-NHS national guidelines, service, character, and leadership criteria must also be met for being honored with membership.

I understand that the PGHS Faculty is asked to comment on the character, leadership, and service of each candidate. The faculty rates each candidate as outstanding, satisfactory, or unsatisfactory in character, leadership, and service. Discipline files in the office are consulted. Attendance and tardiness are checked. All of this information is reviewed as a part of the selection review.

If honored with membership, I understand that I must attend the induction ceremony to become a member. I understand that NHS requires my maintaining a 3.8 GPA and continuing to uphold the standards of the character, leadership, and service ideals of NHS. Active members are also required to attend NHS meetings and perform twenty community service hours per membership year. Failure to uphold these standards can result in dismissal from NHS.

I have read the PGHS National Honor Society selection process on the Prince George County Schools' website and understand the criteria sought by the Faculty Council.

I understand that information not presented in this packet cannot be added after the Faculty Council honors students with selection.

****A parent has carefully checked the student information on each page of this packet and initialed each page at the bottom.**
