- ❖ To hold myself to the highest expectations for success.
- ❖ To always work, think and behave honorably.
- ❖ To conduct myself in a manner that promotes school safety and a climate of mutual respect.
- ❖ To exhibit public behavior that will reflect positively on my family, school, and community.
- ❖ To take responsibility for my actions and be determined to turn any mistakes I make into learning experiences.
- ❖ To respect who I am as a person and accept my strengths, weaknesses, talents and gifts.
- ❖ To remember that I am a valuable citizen of the world and am responsible for positively impacting the global community through works of service and innovation.
- ❖ To be a person of good character and have the courage to do what is right even when it is difficult and unpopular.
- ❖ To overcome whatever obstacles I face through perseverance, hard work and humility.

As a student of P.S./I.S. 208, I am a bearer of the "Torch of Knowledge". It is through the love and support of my family, school and community that I am destined for GREATNESS. I accept the trust that has been bestowed upon me and commit to honor this pledge, so help me God.
