## Parent/Guardian Consent Form: Student Information on the Internet and in Mass Media Effective September 1, 2002

This form requests permission for your child's photo/image and personally identifiable information to be published on the Englewood Public Schools' website and/or in the mass media (radio, television and newspaper).

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a website, since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, your child's school would like to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parent or guardian. Personally identifiable information includes student names, photo or image, residential addresses, e-mail address, phone numbers and locations and times of class trips.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal of your child's school and such rescission will take effect upon receipt by the school.
