Special Education & Pupil Services

CLASSIFICATION AND DISABILITY CATEGORIES

When a student is determined to be "eligible for services" he/she will be classified as "Eligible for Special Education and Related Services." This occurs when it is determined that the student has one or more of the following disabilities. Important to the classification process is to determine if the nature of the disability adversely affects the student's educational performance resulting in the need for services.

Upon classifying a student eligible for special education and related services, the process continues with the development of an Individual Education Plan.
