I am proud to announce that Mrs. Kristina Novello is the 2019-2020 recipient of the Governor's Educational Services Professional of the Year award at the Clark Preschool. Since 2011, Mrs. Novello has served as a dedicated, responsible, and compassionate Paraprofessional with the Clark Public Schools District.

Mrs. Novello demonstrates sincere care & concern for her Preschool students, and goes to great lengths to meet their diverse needs. On several occasions, I have observed Kristina energetically working with her preschoolers, and their smiles and laughs fill the classroom. Learning is ever present at the Preschool, and Mrs. Novello is actively involved in the growth and development of all Preschool students. She helps to cultivate great minds...one student at a time.

Congratulations to Mrs. Novello on this well deserving honor. Kristina's commitment to making a difference in the lives of our Preschool Special Education students is awe-inspiring. I truly look forward to her continued success!

Sincerely,

Nicole Viola
