

**Grade 2 English Language Arts**

Important Notes

- For a level 3 and 4 in the **Reading: Literature and Informational Text Indicators**, the student must be able to apply the skills specified on the rubric using a grade level text. If a student is reading an above grade level text they still need to demonstrate the specific skills on the rubric to achieve a level 3 or 4.
- For all indicators, the specific skills to incorporate into each score are only listed under “3.” A “4” includes all of the criteria of a 3, plus the additional criteria of a “4”.
