

Student Devices Insurance Repair Plan

Because we understand that accidents do happen, we have created an opportunity to help defer costs for damaged screens, keyboards, bags, cables, etc. The Insurance Repair Plan costs \$40 per student per school year. With your contribution to the program, each student will be allowed **ONE** free repair incident per year for the above mentioned incidents. Other physical damages, intentional vandalism, lost, or stolen items will remain the responsibility of the student and his/her parent/guardian.
