

Printing to Copiers

A) Registering your key fab.

- a. When at a copier for the first time you will first need to bring your Fabio

- b. Just kidding! That was a typo! Bring your **fob** that allows you to enter the building

c. Scan the fob on the scanner located on the sides of the copier

- d. Once this happens, The copier will prompt you for your username and password (Same one to login to computer)

- e. Click Login
f. Now you have registered your fab! Fab can also be scanned to log out!

B) Installing copiers to laptop

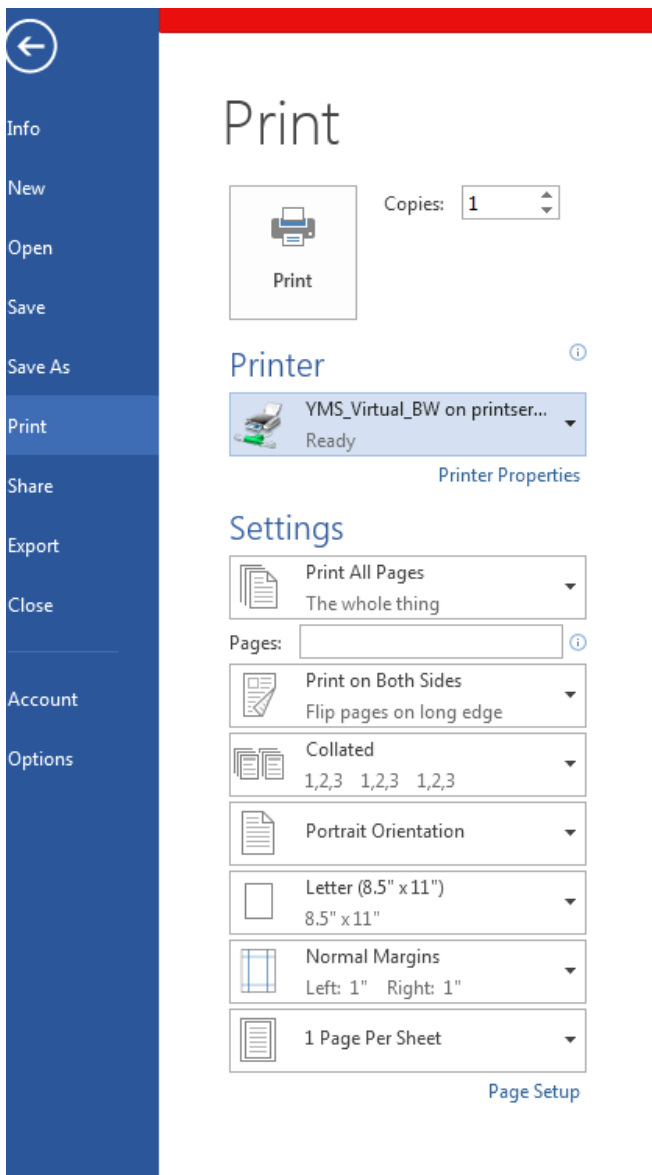

- a. Laptops will be able to print to any of the copiers in your school. To install click the following link for the appropriate building:
- YHS – http://printserver/printers/ipp_0015.asp?eprinter=YHS~5fVirtual~5fBW&view=q
 - YMS – http://printserver/printers/ipp_0015.asp?eprinter=YES~5fVirtual~5fBW&view=q
 - YES – http://printserver/printers/ipp_0015.asp?eprinter=YMS~5fVirtual~5fBW&view=q
 - PVE – http://printserver/printers/ipp_0015.asp?eprinter=PVE~5fVirtual~5fBW&view=p
- b. This will prompt you to complete the installation. Click yes!
