

Accessing Yorktown Cloud on iPad

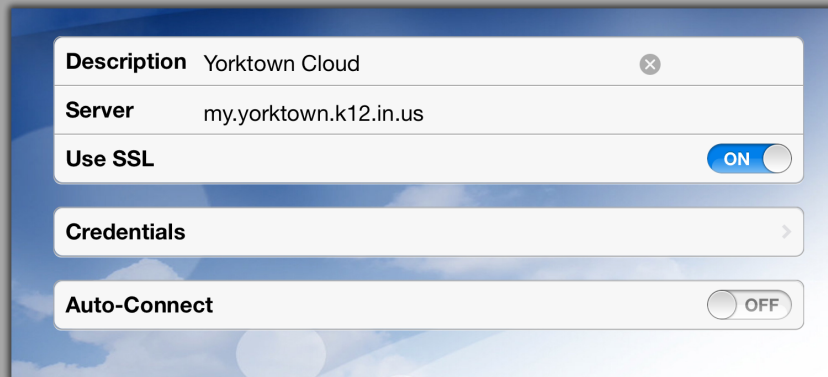

Download Web Agent App

Step 1

Step 2

Enter the following information on the first screen:

A screenshot of the Yorktown Cloud configuration screen. It features a white background with a blue header and footer. The main content area has a light blue background with a cloud pattern. The fields are: 'Description' with the value 'Yorktown Cloud' and a close button; 'Server' with the value 'my.yorktown.k12.in.us'; 'Use SSL' with a toggle switch set to 'ON'; 'Credentials' with a right-pointing arrow; and 'Auto-Connect' with a toggle switch set to 'OFF'.

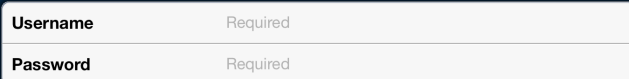

Step 3

Tap

Credentials

Step 4

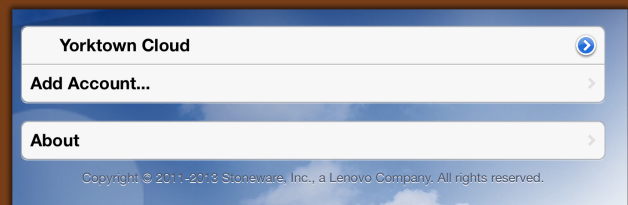

Enter Username and Password

A screenshot of the login screen. It has a white background with a blue header and footer. The main content area has a light blue background with a cloud pattern. There are two input fields: 'Username' with a 'Required' label and 'Password' with a 'Required' label.

Click **Done** twice

Step 5

Tap on created shortcut

A screenshot of the Yorktown Cloud shortcut screen. It has a white background with a blue header and footer. The main content area has a light blue background with a cloud pattern. There are three items: 'Yorktown Cloud' with a right-pointing arrow, 'Add Account...' with a right-pointing arrow, and 'About' with a right-pointing arrow. At the bottom, there is a small copyright notice: 'Copyright © 2011-2013 Storeware, Inc., a Lenovo Company. All rights reserved.'
