CLASS RULES:

1. Attend class and be "on time"
2. No use of electronic devices (cell phone, i-pod, games, headphones)
3. Be courteous and respectful (no excessive talking or being disruptive)
4. Stay in your assigned seat unless getting tools or materials.
5. No food or drinks in class.

HOMEWORK

There is homework for this class during the year although all projects will be made in this class. I will give handouts during the semester to be studied and reviewed. They will be ceramic terms and definitions, ceramic art history, and technical information. I will require the student to have a notebook/sketchbook for this class. They will need this for sketching out their designs and to keep a log book record of their work and glazing applications.

GRADING

Attendance	25%
Class Participation	25%
Projects and Assignments	25%
Test and Quizzes	25%

ATTENDANCE

Your attendance is one quarter of your grade, you must come to class on time and participate in order to receive daily credit toward your final grade. You can lose your daily class participation credit for being late to class, not working on your assignment, or not completing your daily class job. 3 unexcused lates to class is counted as 1 absent.

DICIPLINE POLICY

The students will have assigned seats for the entire school year. If I have to move a student for disciplinary reasons, I will inform the parents of both children. I will also notify the parents for the following reasons.

- Disruptive or defiant behavior.
- Unwillingness to do the assignment or cleaning of work area.
- Excessive tardiness or absenteeism.
- Continued cell phone or head phone use.
- Continued dress code violations.
