

## *Class of 2020 - Excellence in Education*

Today would have marked the 10th Annual Excellence in Education Luncheon. Each year the Penn Township Business Association along with the Penn-Trafford Scholarship Foundation host a luncheon to celebrate the **TOP 20** students of the graduating class from Penn-Trafford High School. We are hopeful to celebrate these students at our Senior Dinner Dance in June or July. Today, please help me celebrate the accomplishments of these outstanding students.
