Make Healthy Holiday Choices:

- Enjoy all the food groups at your celebration by including all 5 MyPlate food groups at mealtimes: fruits, vegetables, whole grains, lean proteins, and nonfat or low-fat dairy products.
- Do not skip meals throughout the day which can result in overeating later, instead try low-calorie meals loaded with vegetables, lean protein and nonfat dairy.
- Tweak the sweet. Try baked apples with cinnamon and a sprinkle of sugar instead of apple pie or modify your favorite recipe.
- Include physical activity.
- Mingle away from the food.
- Enjoy leftovers by creating delicious new meals such as soups, salads, omelets and sandwiches.

Quench your thirst with low-calorie options.
