*Effective, Efficient, Quality Education*

November 19, 2020

On Tuesday, November 17, 2020 the Governor's office issued a [revised mask and travel order](#) that will impact our schools. The new order requires all students to wear masks during physical activity which includes physical education classes, recess and athletics. The order also mandates students must be 6 feet apart while eating with masks off. We have taken additional steps in our cafeterias to further distance students. Students will still be provided mask breaks throughout the school day.

[Click here for Mask FAQ from the DOH](#)

The travel restrictions require students visiting other states to have a negative COVID-19 test within 72 hours prior to their return to the commonwealth, or to quarantine for 14 days upon return to Pennsylvania. Please notify your principal if your child plans to travel outside the state.
