**NO**

Send your student/staff to school

- Staff and students with fevers or symptoms associated with COVID-19 should seek medical attention for further evaluation and instructions before returning to school.
- Staff and students with fever or symptoms that may be associated with COVID-19 and no known direct exposure to a person with COVID-19 may return to school when they are asymptomatic and have been fever free for at least 24 hours without the use of fever-reducing medicine or have confirmation of an alternative diagnosis from a health care provider that explains the COVID-19-like symptom(s).
