

October 2018 Food Services News

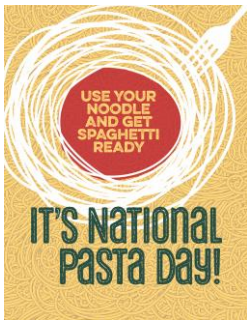

WELCOME TO THE FEED!

This is a brand new monthly newsletter we'll be producing each month to share what we're working on in the district to make a better program each day!

ELEMENTARY SCHOOLS

We used a **completely new menu template** this month from feedback we heard from parents, and had some brand new special events!

October's menu celebrated these National Food Days:

Oct. 4th
National Taco Day

Oct. 17th
National Pasta Day

CATERING

We created brand new menus for our caterings! We had a **Mexican Night** at one home football game, featuring **House-Made Chips and Mexican Corn Salad**. The school board has also enjoyed new options such as **Mushroom Risotto and Chicken Piccata!**

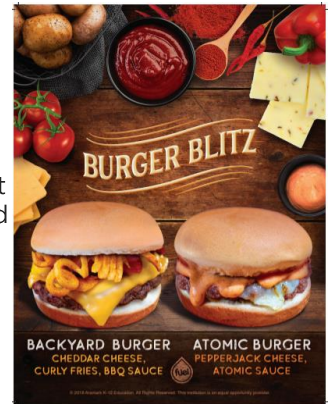

Mexican Night at our Home Football Game Caterings
Our communication and menu for **Field Hockey Senior Night** went so well they offered to write us a recommendation!

Field Hockey Senior Night

MIDDLE SCHOOLS

We made some adjustments to the menu based upon student feedback! Our new **all-white meat chicken products and custom burger bar** were a hit, but we incorporated some old favorites and streamlined some of the options. Our **FUEL** program also started this month, featuring our **Atomic and Backyard Burgers!**

HIGH SCHOOL

Our own **Chef Melissa** has been making tons of fresh desserts, including **Apple Dumplings and Pumpkin Rolls!**

Chef Melissa's Apple Dumpling

We opened up a brand new line this month! Our **Tortilla station** features freshly-made Mexican-themed food and the ability for students to customize their meal. We've started offering **Top N' Go Walking Tacos** daily; since then we've seen almost **40 students** participate each day!

PTHS Cafeteria is now on **Remind** thanks to help from our student **Food Committee!**

WHAT'S NEXT?

In **November**, we're featuring:

- A breakfast sample for K-8 Schools
- Our annual Thanksgiving Dinner
- A new Mobile Ordering platform for HS Teachers
- Milkshake Day at the HS!

Chef Melissa's Roasted Veggie Wrap for Mobile Ordering
