"Developing lifelong learners"

## March 22, 2020 Updates

Parents/Guardians

Here are our latest updates:

### **School Lunches**

Our school feeding program will be amended due the governor's stay at home order. Tomorrow March 23rd. We will hand out all 5 lunch meals for the week. As a reminder the student must be present to accept the meals.

### **Student Lesson Packets**

The student lesson packet pickup program will be suspended until the "Stay at Home" mandate is lifted from the governor's office. The **optional** lesson packets will be available for print and download from the newly created Lafourche Parish Public Schools website.

### **State Testing**

Standardized testing will be canceled for the 2019-20 school year. "On Friday, March 20, the U.S. Department of Education approved via email Louisiana's waiver request of assessment, accountability, and reporting requirements under the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act. This means Louisiana will not require standardized testing for the 2019-2020 school year."

As we gather information from the state, we continue to post updates to our Facebook and webpage

Thank you,
