

LAFOURCHE PARISH PUBLIC SCHOOLS

“Developing Lifelong Learners”

Dear Parents and Students,

By proclamation of Governor John Bel Edwards, on April 15, 2020, all schools in Louisiana will be closed for the remainder of the 2019-2020 school year due to COVID-19.

Lafourche Parish Schools will continue to offer distance learning through the district’s distance learning platform, which can be accessed at www.mylpsd.com by following the “Optional Home Learning Opportunities” link. Families with internet access and a device are encouraged to use the on-line distance learning platform.

Grab–N-Go Meals will continue to be disbursed at the 3 high schools every Monday. Please continue to monitor the LPSD website and the district Facebook page for additional information and directions concerning distance learning opportunities.

We will continue to provide updates as we receive directives and guidance from the Louisiana State Department of Education. We thank you for your patience and understanding during these unprecedented times.

Please stay safe and stay home. If you have continued questions, please visit our Webpage and Facebook page. You can also email your school’s administrators with specific questions.

Stay safe,

Jarod W. Martin
