This plan is proposed and will continue to be refined with input from the Board of Education.
Elements Impacting the Choice:

- Health and Safety
- Excellent Education
- Equitable Access to an Excellent Education
- Innovative Solutions and Use of CARES Funding
What is Our Choice?

100% VIRTUAL LEARNING

SEPTEMBER 9 THROUGH OCTOBER 1, 2020 THEN PHASE IN
What Will We Do To Prep for Phase In?

Classroom + Ensure We Prep Spaces and Resources + District and Community Information Share = Critical Cohorts and Grades to Be Phased In the Following Sequence

• Phase 1: **September 14**: Self-contained Special Ed Students who require in person services
• Phase 2: **October 5**: Hybrid Model K-3, Self Contained ELL students
• Phase 3: **October 12**: Hybrid Model 5, 6, 8, cohorts for 9 and 11 grades
• Phase 4: **October 19**: Remainder of grades

**These are tentative dates**
What Will We Do To Prep for Phase In?

- The BOE adopted calendar and school begins officially on September 9th
- Expect orientation at schools in smaller numbers than in previous years on the first days of school
- Chromebook and instructional materials will be distributed at the building level
- Expect communications and information sessions from your school
What Will We Do To Prep for Phase In?

Our Cleaning Process:
• Buildings will be cleaned and disinfected every day that students and teachers are present
• Day custodial staff will focus on high frequency touchpoints and restrooms, and on distributing supplies, as well as assisting with any other cleaning and disinfecting needs related to bell schedules and class changes
• All classrooms will be supplied with our hydrogen-peroxide-based disinfectant Oxivir. This will be in a wipe form or ready-to-use spray bottle with paper towels. Surfaces need to be visibly wet for only 1 minute to be disinfected. Has a zero health rating
• On 2nd shift custodial staff will be using a hospital-grade disinfectant/cleaner Re-juv-nal, which is applied through new equipment that ensures clean solution every time without cross contamination. This has a 10 min dwell time
What Will We Do To Prep for Phase In?

- Microfiber technology, with cleaning cloths, mops and dusters, has been implemented throughout the district and is laundered weekly by Cintas, an outside vendor, to insure proper sanitizing and to eliminate possible cross contamination
- We will still use the Protexus electrostatic applicator and PurTab disinfectant to treat touchpoints and in conjunction with the Re-juv-nal disinfectant product
- BioProtect antimicrobial has been applied throughout the district and will be applied again prior to October 1st
- PURETi photocatalytic window cleaner is being used to help continually purify the air
- New floor finish and gym finish has been applied that uses Microban technology
What Will We Do To Prep for Phase In?

We Prep Spaces and Ensured Resources

Partnership with Montefiore New Rochelle for free testing
Lockwood Ave. & Glover Johnson Pl.
M to F from 9 to 4:30 PM
Walk-in Service
What Will We Do September through Phase-In?

**HEALTH AND SAFETY**
- Follow all safety protocols for persons in the schools (Staff and Students)
- Monitor contact tracing
- Use WCDOH to guide response should there be a positive test case of COVID
- Ensure all parents and staff understand the response plan in the event of a COVID positive test case

**EXCELLENT EDUCATION**
- Students identified as needing will be invited to come to school to work with professionals to assist (HUBS). This will be by invitation.

**EQUITABLE ACCESS TO AN EXCELLENT EDUCATION**
- All students will have access to the internet. We have 500 hot spots and the capacity to secure more with help from the Library Foundation.
- All students will have access to a Chromebook.
- Students who need a quiet place to learn may request access to online learning from their building (HUBS).

**INNOVATIVE SOLUTIONS AND USE OF CARES FUNDING**
- All students in the buildings will be provided a meal.
- Working to see how we can provide all those who need meals access from their home school.
- Infinite Campus
- Classroom Cameras
