Dear New Rochelle Community,

After much soul searching, prayer and discussions with my family, I have decided to step down as Principal of New Rochelle High school and request that the Board of Education accept my resignation. I believe that the students and staff deserve to start the school year free of distractions and focused solely on learning.

I would like to sincerely thank all of you who shared your heartfelt letters of support and words of encouragement during these most trying and difficult times. I thank you for your friendship, generosity of spirit and love of community.

I would also like to thank the Board of Education and the Superintendent for all of their support during my time with the school district.

New Rochelle will always hold a special place in my heart and I hope that the work that we have engaged in to provide all of our children equitable access to the abundant resources available in this community will continue.

I will cherish the memory of my time serving this vibrant community and wish New Rochelle High School and the City of New Rochelle continued success and prosperity in the future.

Sincerely,

Reginald Richardson
