ALMS Distance Learning Plan

Effective 3/17 - 3/25/2020
Due to the fact that we have not had school closures caused by inclement weather this academic year, we have a total of four (4) days banked for emergency school closings.

- **Two of those days are already built into the school calendar, with two of these days now being taken from our Weather Makeup Day 1, and Weather Makeup Day 2 during the Memorial Day Weekend (5/22/20 and 5/26/20)**

- Teachers will begin to be “on call” from 3/17 - 3/25, and will facilitate “office hours,” for students.

- Teachers will provide feedback to students starting from 3/17 (i.e. Google Classroom, email, etc)

- The district is distributing Chromebooks to students who have requested a device

- CSDNR is continuing to weigh all options in this ever evolving situation and we will continue to communicate as a strong community.
Students should check their teacher’s Google class page and school email everyday for assignments!

*If a student does not already have access to a teacher’s Google class page, please contact your teacher at their nredlearn.org email address.
Signing Into Google Classroom (Review):

1. Go to google.com and click sign in.
2. Enter your username:
   Student usernames are their last name, first two letters of their first name, and graduation year from high school. For example, Derek Jeter in 6th grade - jeterde2026@nredlearn.org
   (7th grade is jeterde2025@nredlearn.org, and 8th grade is jeterde2024@nredlearn.org)
3. Click Next.
4. Enter your password: your student ID number.
5. Click Next.
6. At the top right on the screen, click on the 9 gray dots. Go to the Classroom icon (pictured below).
7. Click on the class or join the class you wish to participate in with the Class code provided by your teacher.
The following slides contain grade-level and content area codes for middle school core content area subjects that students can access during our Extended School Closures.

- These are **supplemental pages** created for instruction.
- Students wanting to access their regular Google Classroom pages will follow the same sign-in steps they have been using during the entire school year.
