**New Rochelle Schools Reach  
Tentative Agreement with FUSE Union**

**NEW ROCHELLE, N.Y. (July 9, 2019)** – The Board of Education of the City School District of New Rochelle and the New Rochelle Federation of United School Employees (FUSE), the union representing teachers, other pedagogic staff and school-related professionals, are pleased to announce that the parties have reached a tentative settlement for a successor agreement.

The agreement is subject to ratification by the Union membership and the Board, which the parties anticipate occurring in the early fall.

The District and FUSE are excited to have reached a settlement that benefits all and demonstrates the deep appreciation the District holds for its teachers, other pedagogic staff and school-related professionals. All are looking forward to a productive 2019-2020 school year.
