

Sender Classification	Category of Question	Question (Note: Questions presented as submitted)	CSDNR Response
Student	Other / I Don't Know	What's going to happen to graduation/prom?	<p>The Coronavirus (COVID-19) crisis is ever evolving. We cannot predict what may happen. On March 27, 2020 as was communicated to the community here school closures were extended two additional weeks and await guidance from the NYS Education Department and Governor.</p> <p>We plan on making graduation as special an experience as possible and hope to celebrate our graduating class' accomplishments when this crisis is over. Please see here</p>
Parent	Impacts on Student Learning	Is there any thought to implementing Zoom for limited class learning for subjects such as math and science?	Our Distance Learning Plan includes Zoom for middle and high school students when it materially improves access or ease of understanding to the curriculum being taught. CSDNRs plan exceeds that which is required by the NYS Education Department at this time.
Student	Impacts on Student Learning	Will we have school till July ?	On March 27, 2020 as was communicated to the community here school closures were extended two additional weeks
Parent	Understanding Coronavirus (COVID-19)		No Question
Student	Impacts on Student Learning	What impacts will school closures have on statewide and nationwide testing and will thus impact the overall length of the school year and/or other breaks built into the pre-existing school year.	On March 27, 2020 as was communicated to the community here school closures were extended two additional weeks. State exams for grades 3-8 have been cancelled. We await clear direction on Regents and AP classes please see here
Parent	Accessing Resources (food, childcare, mental health)	Who is responsible for the pay of all the working parents who have to stay home with their children during this two-week-or-more closure?	This question is not within the CSDNR's purview
Parent	Other / I Don't Know	Are the schools planning on closing past spring break till April 27?	On March 27, 2020 as was communicated to the community here school closures were extended two additional weeks. State exams for grades 3 through 8 have been cancelled. We await clear direction on Regents and AP classes. Please see here
