**Fiscal Year 2011**

The Preston Board of Education budget proposal for Fiscal Year 2011 (July 1, 2010 – June 30, 2011) represents an increase of \$0 (0%) in comparison to fiscal year 2010.

The proposed FY2011, and approved FY2010 and FY 2009 budgets are summarized below:

FY2011 (July 1, 2010-June 30, 2011): 10,020,032  
\* FY2010 (July 1, 2009-June 30, 2010): 10,020,032  
FY2009 (July 1, 2008-June 30, 2009): 10,456,161

(\*For FY2010, Preston's local appropriation was supplemented by \$436,130 in federal stimulus money that was received directly by the district. The same funding is expected in FY2011. Therefore, the net budget each year is 10,456,162, the same as it was in FY09 save a dollar).

Increases in salaries, purchased services and equipment in FY11 are completely off-set by decreases in student tuitions (regular education and special education), benefits and supplies/commodities.

The budget proposed for FY2011 presumes the reduction of one sixth grade teacher and one special education teacher positions due to declining enrollment and the elimination of a part-time world language position (Latin) at Preston Plains Middle School. The elimination of these positions is attributable to a change in instructional priorities, but will not affect anybody's employment status.

For 2010-2011, Spanish, which is presently taught to students enrolled in grades K-3, 7-8, will expand to include all grades, K-8. In addition, a part-time payroll/accounts payable clerk will be employed in Central Office as part of a unified plan between the Town and Preston Board of Education to centralize the management of each entities financial resources under one manager. Lastly, technology support and instrumental music staffing has been increased by one day each in order to meet current and anticipated demand.

On balance, the FY2011 budget respects current economic conditions, honors all existing collective bargaining agreements, avoids lay-offs and ensures the continuation of existing programs and services.
