Food Service Available to Students

Beginning **Monday, March 16th**, Preston Public Schools Food Service will offer **all students under 18** "grab and go" breakfast and lunch from 10:00 AM to 2:00 PM at Preston Plains Middle School.

Students and families will stop by the PPMS cafeteria side door for curbside pickup of the "grab and go" lunches. Curbside customers will be greeted by one of our Food Services personnel to retrieve both lunch and breakfast.

We are happy to offer this service to our students while our schools are closed. We will offer "grab and go" lunches every weekday Monday through Friday. This service **is offered to all children under 18 regardless** of their free or reduced lunch status.

If you have on-going transportation concerns do not hesitate to contact the central office at 860-889-6098. Should you have any questions about this service, please call our direct line at 860-889-6098.

Thank you, Roy

Roy M. Seitsinger, Jr., Ph.D.
