Changes in Our Learning Process

Dear Preston Learning Community,

Thank you for all that you are doing to care for each other and care for our children. A few phrases to help visualize and focus on what we are trying to do and how we are trying to do it as we move through this unprecedented time.

- We are Disrupting our daily lives to Disrupt the spread of COVID-19 **(Disrupting to Disrupt)**
- We do this to Flatten the Curve. This will allow health care facilities to assist those in most need and not be overwhelmed. **(Flattening the Curve)**
- The school district is not on vacation. **(Not on Vacation)**
- Our team is not unemployed – We are Redeploying. We are changing the way we do business but our business remains the same. **(Not unemployed – Redeployed)**
- Our business is, to the extent possible, to assure continuity of learning for all of our students. **(Assure Continuity of Learning)**
- We are all in this together. We are all teammates. We will all work through this challenge. **(This is about all of us)**

There is much more information that will be shared through this venue and others as we move through this quickly changing and dynamic circumstance. Thank you for staying connected and informed.

Watch for information about virtual learning tools.
Be well.

Roy M. Seitsinger, Jr., Ph.D.
Superintendent of Schools
