Dear Parents and Community Members,

On behalf of the Board of Education, it is a pleasure to welcome you to the Uniondale School District. We are proud of both our commitment and our reputation as we continue to strive to offer our students the very best opportunities in an exemplary learning environment. The educational excellence we have achieved is due to the partnerships we have cultivated among parents, teachers, students, administrators, and all staff. We look to identify strengths and facilitate improvement. We aim to produce classes of students who are thinkers as well as doers, activists who are thoughtful and considerate, citizens who are eager to learn and grow, achievers who master content and offer fresh insights, learners who are performers as well as behind-the-scenes managers, and leaders who also can be team players.

Instruction is geared to the individual; data is collected and utilized to assist our teachers as they craft learning units tailored to the unique and evolving needs of our students. In true collaborative spirit, the Uniondale School District looks to partner with the community for involvement, feedback, and support as we work toward a common goal of educating our students to prepare them for a bright and promising future.

We invite you to peruse our website. Discover what's occurring in our classrooms. Mark your calendar so you can share in the excitement of our many school and district-wide events. Explore the resources we have made available to you. Contact us. Ask questions. Participate. Make connections. Partner with us as we educate another generation of amazing Uniondale students.

We look forward to the continued success of our district, our treasured students and valued staff.

Sincerely,

Dr. William K. Lloyd  
Superintendent of Schools
