Desire to participate in Cooperative Bids during the 2018-2019 school year as authorized by General Municipal Law Section 119-0, and whereas, the Board of Education through its Assistant Superintendent, or designee, has assumed responsibility for drafting specifications, advertising for Bids, accepting and opening Bids, tabulating Bids, and reporting the results for each of the respective bids to the participating Boards of Education.

have come back, and Dr. Mangum attended and was delighted with the job Ms. Parisi is doing with the young children. Also, there is going to be a fund raiser for the Gift of Writing foundation which is for the four (4) schools we adopted since the hurricane in Haiti. If you are interested in attending, you can contact Frantz Dorsainvil. The Show Choir will be performing at the High School on Saturday, March 10, 2018 at 2 PM and 7 PM. Also, March is Women's History Month. On March 15 the Bond Vote takes place at each of the elementary schools and each vote is important. Everyone should make an effort to vote. Mr. Scott and Mr. Singer spoke at the Nostrand Gardens meeting last evening and mentioned the increase in population. There is great concerns for the houses that rent rooms and share their houses with other families. It was stressed that the school District cannot deny children education. If someone is doing something illegal, it should be reported to the proper authorities and they will follow-up.

Mr. Georges spoke of the importance of the enforcement of the Housing Code. The Town of Hempstead has the responsibility to enforce the code. He suggests the leaders in communities, - the legislators, Superintendents, owners of commercial properties contact State and the Federal Government Leaders and tell them how we are being dumped on. Mr. Georges asked about the changes in the High School classrooms from 41 to 30 and the bathrooms being crossed out.

Mr. Cubas reminded everyone to come out and vote and bring a friend. Each elementary school will be opened from 6 AM to 9 PM on Thursday, March 15, 2018.

Mr. Sharpe thanked everyone at the meeting for attending, and asked that when they come to the meetings they should bring a friend so they can hear what is happening first hand.

Mr. Mott attended the Aqua Show and thoroughly enjoyed it. Everyone should try to attend the various programs of the students in the District.
