

APRIL 20, 2018

STEAM NIGHT

You are cordially invited to attend the 3rd annual Science STEAM night on Friday, April 20, 2018, from 6:00pm until 9:00pm, at Uniondale High School.

We would be honored if you would join us as our students present their work, which will exemplify the incredible opportunities in science throughout the District. Review our students' class projects and watch captivating lab demonstrations and health monitoring by our Pre-Nursing students. With your presence, our young students would know that the community and its educational leaders care about their future.

District Wide
STEAM Night

Don't Be Shy—Tell
Them Why They
Can't Miss It!

A Night the whole
family will enjoy!
