INFORMATION AND REPORTS

LEGAL

Mr. McCarthy had nothing to report.

SUPERINTENDENT'S UPDATE

On the previous evening, September 26, 2016, the Presidential Candidates Debate had been held at Hofstra University. Dr. Lloyd arranged for eight of our student scholars, Jaileessa Caimir, Michaela Durrah, Courtney Lewis, Anthony Liddie, Diamond Pickett, Raynor Robinson, Gisselle Rodriguez Benitez and Maria Sosa to have the opportunity to attend this auspicious occasion. They were accompanied by their Advisors, Mr. Charles Picone and Mr. Robert Izzo. The students gave their impressions and comments of the day's activities which started at 10 AM and ended at 11 PM. They were truly thrilled.

Dr. Lloyd gave an update on the Demographic Study and outlined the three scenarios favored by the focus group.

Mr. Bancroft Burke and Mr. Colton Wynter reviewed the District Wide Safety Plan.

Mr. Clarence Little presented the Treasurer's Report.

COMMENTS BY THE BOARD

Ms. Rodriguez Benitez thanked Dr. Lloyd for arranging to have the students attend the Presidential Debates. It was a wonderful adventure. The Social Studies Honor Society is concerned that while there are over 20,000 registered voters in Uniondale, only approximately 600 persons come to vote in the District's elections. The students are going to make every effort to encourage the community to vote.

Mr. Sharpe thanked Mr. Burke, Mr. Wynter and Dr. Lloyd for being pro-active with safety in the schools. Mr. Sharpe has put Dr. Lloyd in contact with the Chief of Police Skrynecki. It is very important to have good public and police relations. It is a good resource to be vigilant with gang violence. Mr. Sharpe also mentioned that he had just read a very interesting book by Michael Eric Dyson – The Black Presidency, which he highly recommends.

Mr. Georges expressed concern with the Demographics Study which he considers to be a facilities expansion. There is a need for the expansion but there should be more community involvement and it should be done at this time. Sooner, rather than later. He also noted that we have a larger enrollment issue. It has actually ballooned. It is very important that we carefully monitor that the students attending our schools are Uniondale residents. He hears rumors that many students are not residents and we should look into this.

Mr. Cubas congratulated the students. He also mentioned that last week was the Homecoming Parade. We lost the game but the students were highly motivated and filled with pride as they saw community members as they marched. Thank you for coming to the meeting.

Dr. Mangum feels that it is important that we have community involved. Mr. Cubas, Dr. Lloyd, and she attended the funeral for the young man that was killed. It was so sad, students were just there crying. We must find ways to stop the violence. This school raised money for the family. We must see that this does not happen again. Stop the violence. The students represented us very well.

Mr. Mott stressed the importance of alleviating the heat throughout the District. It is difficult to take tests when it is so hot. We will do something.

Dr. Lloyd introduced Elaine Debono, the Pre-K Principal and will be starting on September 28, 2016.

He also introduced Iraida Bodre, Northern Parkway Elementary School Assistant Principal, starting on October 31, 2016.

COMMENTS BY THE PUBLIC

Comments, questions and concerns regarding the Safety Plan and evacuation of buildings by persons who cannot walk or are wheelchair bound; the need for more community members being involved in the focus group; raising awareness of the many petty offences by parents and students; concern for traffic safety conditions in the areas around the schools; Show Choir performed at Citifield; a comment that our taxes being well-spent after watching the students perform at Citifield; and concern with violence in the middle schools especially targeting students with special needs; asking the District to identify the situation, inform the parents and do what it takes to stop the violence were raised Barbara Ford; Mark Abrahams; Adrienne Hawthorne; and Karen Vela.

OLD BUSINESS:

Airconditioning for all the schools; establish standing committees for Board.

NEW BUSINESS:

Establish work session Board Meetings and approval meetings at the next meeting.
