

- We serve many different towns. Can we rezone?
- Will you be cutting monies for investigator? We only have one for over 7,000 students.
- Schools are over-crowded, has there been dialogue with the Town?
- Most people don't know where their taxes are going. Think you need to be cognizant of other areas (Hempstead) that pay more taxes.
- When does the bond money come into play?
- Can the Board try to alleviate the traffic congestion to and from school?
- A lot of people don't crunch numbers. We need to talk to community.
- Too many robocalls. Community should hear from the students and have them call
- More examples should be given to the community
- Parents need to take a more active role.
- We need to change how we talk to people and become more proactive. Students need to take ownership.
- What efforts have been taken to avoid waste in supplies, overtime, etc?
- Will there be enough time for absentee voters?
- Because so many people don't have kids in school they don't think they have to care.
- 30,000 can vote but we only got 1800+ to vote. Those votes can make a difference
