Dear Uniondale Community,

On behalf of the Uniondale Union Free School District Board of Education, Central Administration, teachers, and staff, I thank every resident who came out to vote on this revised budget for the 2018-2019 school year. Our District is fortunate to serve a community so passionate about the success of its young scholars.

The District worked tirelessly with members of our community to ensure this revised budget proposal met the needs of our community - minimizing the tax impact while ensuring the preservation of the excellent education we deliver to Uniondale students every school day.

Positive, two-way communication between the District and our community is the foundation of mutually rewarding and beneficial collaboration, and we hope to see this harmonious relationship continue to grow in the future. The District is excited to continue developing our educational programs and building a strong foundation upon which our scholars can grow academically and personally.

Thank you,

*Dr. William K. Lloyd*  
*Superintendent*
