5) Now, when I log in, I can access both accounts.

6) The Navigation Bar on the right-hand side consists of the following links:

Grades and Attendance – displays comprehensive information about a student’s grades and attendance for the current term. The legend at the bottom of the page displays the attendance and citizenship codes and their meaning.

Grade History – used to view quarter and semester grades for the student.

Attendance History - displays information about a student’s attendance record for the current term. The legend at the bottom of the page displays the attendance codes and their meaning.

Email Notification – provides you with the ability to manage your parent account email preferences, including what information you would like to receive and how often you would like to receive the information, and any additional email addresses that you would like the

information sent to. Email preferences may be applied to a single student or all students associated to your parent account.

School Bulletin – the school may post a message here.

Class Registration – at a future date, course requests may be handled through this area.
(PLEASE NOTE: this feature will not be used at this time)

Account Preferences- provides you with the ability to manage your parent account information, including your name, user name, password, and email address. In addition, you can add any and all students for whom you have legal and parental rights to your account in order to view their information by way of your account. Please Note: To edit or remove a student associated to your account, contact your school.
