

Drew Charter School Inclement Weather and School Closing Guidelines

January 5, 2017

Parents/Guardians:

This is a reminder of Drew Charter School's Inclement Weather and School Closing Procedures. In the event of inclement weather, the Charles R. Drew Charter School will follow The Atlanta Public Schools' inclement weather decision. The following guidelines will apply:

- If Atlanta Public Schools is closed due to inclement weather, Drew Charter School will be closed for students and staff.
- If Atlanta Public Schools closes early due to inclement weather, Drew Charter School will follow the APS early closing schedule.
- If APS has a delayed start time for its staff, there will be no school for Drew students and Drew staff will report at the APS requested staff start time.
- If there is inclement weather on a day when APS students were not normally scheduled to attend school (i.e., an APS teacher planning day), and APS has a normal operating day for its employees, then Drew will operate on a regular schedule for its staff and students. However, Drew reserves the right to close if deemed necessary.

For inclement weather and school closing information, please check local television and radio station broadcasts. Additionally, inclement weather closings will be posted on the homepage of Drew Charter School's website (www.drewcharterschool.org), and an email will be sent to parents and guardians whose email contact information has been provided for our MailChimp system. (If you do not currently receive the Drew Charter School weekly emails via MailChimp, please visit the website to sign up for the school email list.)

Please know that the safety of our students is a top priority.

Thank you.

Don Doran
Head of School
