Dear Parent(s)/Guardian(s):

August 1, 2017

This letter serves to provide parents or guardians with information on how well their children are prepared for college and/or a career by their Title I school. Certain Title I schools in Georgia are identified as *In Need of Improvement* and designated as *Priority* or *Focus* schools due to a variety of data, which often includes the College and Career Readiness Performance Index (CCRPI). I am pleased to inform you that Charles Drew Charter Junior and Senior Academy has **not** been identified as a *Priority* or *Focus* school. This means our students continue to show improvement in their educational progress.

Here, at Charles Drew Charter School JA/SA, we take pride in the instruction we provide for our students. Our teachers and staff members work very hard to meet the needs of all students to ensure that they achieve their highest potential. The 2016 CCRPI score for Charles Drew Charter School JA/SA was 71.7. You can find more information about CCRPI scores at www.gadoe.org/CCRPI/Pages/default.aspx.

An important part of Charles Drew Charter School JA/SA's success is parent participation and support in developing activities to improve student achievement. We hope that you will continue to engage in our school improved work as we continue to monitor student achievement and set high expectations.

If you are interested in becoming more engaged in supporting student achievement at Charles Drew Charter School JA/SA or have questions about how you can better help your student in school, please contact the principal, Mr. Don Doran at don.doran@drewcharterschool.org.

Thank you for all that you do to support your child's education.

Sincerely,

Don Doran, Head of Schools
Charles R. Drew Charter School
