12:00

Training Room 201

Central Offices

Members in Attendance:

Chris Clouet, Karen Crosby, Eileen Roben, Dan DiVito, Lorraine Rossner, Nancy Burns, Ken Saranich, Rob Swercewski, Tina Henckel, Michele Piccolo, Victoria White, Beth Smith, Mary-Beth Trafecante, and Amy Yost

Absent: Kathy Riddle, Liz Hannaway

Agenda Items:

- **Distribution of District Improvement Plan for 2015-16** – see handout – FYI – 10 min
 - Completed DIP for 2015-16 inputting data points necessary to complete document
 - The completed DIP was reviewed by members of the Committee – it appears that SIS members believed that NWEA Math was a good predictor of student performance on SBAC testing
 - For 2016-17 there may be more rigorous targets set to drive student achievement on all levels

- **Distribution of DRAFT 2016-17 District Improvement Plan** — Chris Clouet, Tina Henckel & Vicky White – use time necessary to complete task
 - See Handout – Discussion, Additions, Revisions – as necessary
 - Committee members were informed of the changes and additions to the various charts located within the DIP
 - Discussion occurred with input from all committee members

- **Calendar and Presentation** – discussion all
 - What are next steps for the DDT calendar
 - What about individual school presentation to the DDT along with a question and answer portion to the presentation that will help to develop collegial discourse about the data team process and outcomes that occur within the district
 - Provide opportunities for the curriculum teams to come in and present data and opinion on district data – SRI, NWEA Math & Science scores to use as a starting point to begin analyzing assessments – instruction – and alignment of scores to student achievement
 - Make the process less intrusive and more collegial focusing on the work of the district
 - Possibility of developing a set of “guiding questions” in order to use so that the data is being observed using the same lenses
 - Questions on strengths, weakness, “problems of practice” – what is working what is not.....
 -
- **Next District Data Team:**
 - Thursday September 29, 2016
 - 9:00 – 11:00 a.m.
 - Training Room – 201
 - Central Office
- Agenda to Follow
