**USE OF FACILITIES ON SUNDAYS**

The Shelton Board of Education recognizes the need for families to spend one day a week as a family for family activities and, therefore, prohibits the use of school facilities on Sunday for the purpose of school-sponsored activities except in extenuating circumstances.

The Board also recognizes that all school buildings belong to the taxpayers and, therefore, the Board supports the use of the facilities for community-sponsored activities.

(cf. 1330 – Use of School Facilities)
