**Superintendent’s Reports & Action Items**

**Instructional Update** – Freeman Burr reported the school year started off smoothly after a positive opening and all staff positions have been filled with the exception of a couple of long-term substitute assignments. He commended all administrators on their open house nights held by elementary and intermediate schools; the high school’s will be held this week. Mr. Burr discussed the SRBI (Scientific Research Based Intervention) model that has been presented to principals for their feedback. He mentioned the goal district wide is to improve the efficacy of instruction in the classroom. A draft of an effective teaching rubric was prepared and has been given to principals for their input. The goal of the rubric is not to be used in any way as an evaluation instrument for teachers. It will be used to collect data on our instructional practices for the purpose of planning effective professional development for staff in areas of need to improve teaching and learning.

**School Facilities Report** – William Banfe reported on progress at Perry Hill School and suggested Board Members might want to take a look at the metal panels on the fascia and the windows installed in Building A to get an idea of what the finished product will be. The furniture bid package will be worked on next week for acceptance by the building committee and vote by the Board at their October meeting. A PCP meeting will be scheduled with the State in early November for acceptance of our package, and then the furniture package will go out for bid.

Mr. Banfe reported on the high school exterior and interior doors and said the boiler situation is under intense scrutiny by the SHS building committee. A report from the installer as to the condition of the boilers is expected at the next committee meeting.

William Banfe reported the Long Hill and Elizabeth Shelton roofs are complete. The metal fascia and soffit aluminum is done at Long Hill and will be completed shortly at Elizabeth Shelton. The building committee accepted additional parts to the scope of work to be covered by leftover money. The boilers in the four elementary schools are complete, have been inspected and certified, and are ready to use.

Mr. Banfe discussed a workshop to be held on Election Day for the majority of custodians for training related to new school green cleaning law, various control issues for the H1N1 virus and review of current school cleaning practices. The workshop will be conducted by the State Health Department via the Tools for Schools program.
Allan Cameron stated the Board of Education Technology Committee ordered all the technology in the fifth and final phase. Much has been received and will be in the schools shortly. The goal of achieving equality of access will be accomplished with a ratio of 3:1 at all schools. There will be a refresh of equipment from 2000 at the intermediate school. Each major department at the high school will have a lab of its own. Arlene Liscinsky commented that it has been a long process and commended everyone involved.

**Items Voted On**

Francis MacIlvain made a motion to update the authorized signers of the ED-099 Agreement for Child Nutrition Programs. The two individuals authorized to sign this agreement are Freeman Burr, Superintendent of Schools, and Allan W. Cameron, Finance Director. Seconded by Bernard Simons; vote 8-0; motion carried.

Thomas Minotti made a motion to approve Recognition Policy #1170, which has been reviewed; seconded by Arlene Liscinsky; vote 7-0-1 (Abstention – James Orazietti); motion carried.

Thomas Minotti made a motion to approve revised Electronic Information Resources Policy #6141.321, which has been reviewed; seconded by Arlene Liscinsky; vote 8-0; motion carried. Eugene Kierce stated this policy makes traceable anyone who uses our computers within the network.

Arlene Liscinsky made a motion to reappoint the stipend position holders listed on the attachment. Evaluations have been completed, and each has been recommended for reappointment. Seconded by Eugene Kierce; vote 8-0; motion carried.

Paula Ellis made a motion for the Shelton Board of Education to relinquish authority and physical control of the property behind Long Hill School to the City as detailed in the legal description submitted to the superintendent on 9/23/09; seconded by James Orazietti; vote 8-0; motion carried. Chairman Oppel noted that the activities for the fields will be done outside the activities of the school and it is with the understanding they will be done after school hours. Coordination of events is through Ron Herrick at Parks & Recreation.
Comments by the Board Chair
Win Oppel commended principals on their back to school nights. He thanked Board Members and staff who attended the recent Saturday workshop where CMT and CAPT results were reviewed and commented that it is part of an ongoing conversation.

Reports by Standing Committees
Athletics – James Orazietti stated the committee met September 15 and reviewed policies. His motion to name the athletic complex after Coach Joseph Benanto was ruled out of order. Win Oppel stated if the committee wants to make a recommendation following the policy, the Board can address this at the October meeting.

Building & Grounds – Eugene Kierce stated minutes were filed electronically. He stated the Athletic Committee had suggested relamping the lighting one pole at a time and this has been sent on to the Finance Committee. James Orazietti commented that in the past each pole was done individually to stay under $5,000.

Cafeteria/Transportation – Francis MacIlvain said the committee did not meet. He commented on the success of Bus Safety Day. He stated that all transportation changes required during the first days of school were handled flawlessly. The committee will meet next on October 6.

Policy/Curriculum/Technology – Thomas Minotti said the committee met September 9 at 4:15 p.m. in order to accommodate other Board Members’ schedules. He stated the Student Discipline Policy has been tabled for further discussion due to some changes noted by Attorney Rich Mills. In addition, the Public Complaint protocol regarding educational materials in schools has been tabled for further information. A special retreat workshop focusing on instruction was held on September 12. Pattie Curran gave an excellent presentation on CMT scores and curriculum. An item that will be discussed further and might be part of the Superintendent’s goals is departmentalization for math and reading at grade 5 level. The next meeting will be held on October 20 at 4:15 pm.

Personnel – No meeting was held.

Finance – Bernard Simons said the committee met and reviewed the budget and expenses. The committee discussed starting on the budgeting process earlier than in previous years.

Reports of Special Committees
C.E.S. – Minutes were in packets.

CABE – Arlene Liscinsky mentioned the presentation for new board members next Thursday at CES. The state conference is November 20-21.
Francis MacIlvain commented on Back to School Night at Long Hill stating a great presentation was made to a packed house.

Eugene Kierce complimented Ken LaCroix for controlling his budget and getting the CO2 sensors. Allan Cameron said so far the high school has been 20% below its monthly kWh usage in July and August of last year.

James Orazietti discussed the closing of the high school gates. Win Oppel said the schedule will be sent to Board Members and will be posted on the website.

Adjournment
Paula Ellis made a motion to adjourn the meeting at 8:18 p.m.; seconded by Bernard Simons; vote 8-0; motion carried.
