

PAY TO PARTICIPATE

Resident students attending school within the Shelton Public School System shall not pay for any items, materials, or services that are required for awarding an academic grade, for promotion to another grade level, or for graduation from school.

Participation fees may be charged for those activities that have been determined by the Superintendent to be incidental to the educational goals for the Shelton Public School System, as well as for participation in the middle/high school interscholastic athletic program, and school-sponsored extracurricular clubs and/or activities.
