

Welcome to the Shelton Public Schools Student Transportation Homepage  
August 8, 2018

Please visit this site for ongoing updates regarding student transportation for the 2018-2019 school year.

1. Durham Transportation Services will be the transportation service provider. Durham provides student transportation throughout the country and Connecticut. In fact, Durham provides transportation to local area towns including Trumbull, Stratford, and Milford.
2. All but one of the sixty bus drivers from last year are returning so experienced drivers with knowledge of Shelton's roads, bus routes, and students will be transporting your children.
3. School bus routes and stops will be posted on the website on or about August 20<sup>th</sup>, two weeks before the start of school. You do not need to contact the transportation office to set up busing. Each school will provide the transportation office with the necessary information based on enrollment.
4. If you need to request a change to an assigned bus stop, we require that all requests be in writing. A Request Form will be available online. Requests will be researched and addressed in the order that they are received.
5. Because of budget reductions, Shelton Public Schools will no longer have an in-district transportation director. Therefore, all questions, concerns, and requests related to transportation will be made directly to Durham staff. Contact information will be provided on the Transportation website.
