VIII. Board Action Items

A. Items Presented for a Vote

9. Consideration of the Board to approve continuing participation in Connecticut's Healthy Food Certification for the school year 2018-2019:

Healthy Food Certification: Pursuant to Section 10-215f of the Connecticut General Statutes, the Shelton Board of Education will continue participation in the Healthy Food Certification program and certifies that all food items offered for sale to students in the schools under our jurisdiction, and not exempted from the Connecticut Nutrition Standards (CNS) published by the Connecticut Department of Education, will comply with the CNS during the period of July 1, 2018 through June 30, 2019. Such certification shall include all food offered for sale to students separately from reimbursable meals at all times and from all sources.

Food Exemptions: The board of education will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the food items are not sold from a vending machine or school store. An "event" is an occurrence that involves more than just a regularly scheduled practice, meeting or extracurricular activity. The "school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held, and must be the same place as the food sales. The Shelton Board of Education will exclude from certification food items that do not meet the CNS, provided that such food is sold in connection with an event occurring after the end of the regular school day or on the weekend, that such sale is at the location of the event, and such food is not sold from a vending machine or school store.

Beverage Exemptions: The board of education will allow the sale to students of beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met: 1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; 2) the sale is at the location of the event; and 3) the beverages are not sold from a vending machine or school store. An “event” is an occurrence that involves more than just a regularly scheduled practice, meeting or extracurricular activity. The “school day” is the period from midnight before to 30 minutes after the end of the official school day. “Location” means where the event is being held, and must be the same place as the food sales.
