Absent: Jen Rua, Beth Smith

**Agenda for DDT Meeting:**

- Norms – 10 min
  - Error corrected in Norms
  - The Team Norms were reviewed and adopted
  - Michele Piccolo will be invited to sit as a substitute team member until Jen Rua returns in January
- Roles – 10 min
  - Roles were reviewed – Victoria White will replace Tina Henckel as “Time Keeper”
  - Mission Statement reviewed, updated, and dated
- Review of NWEA and SRI Data – 40 min
  - NWEA presented a workshop for our district regarding how to read and interpret NWEA scores as related to student achievement and performance
    - This is Shelton’s first year of using NWEA Math/Science in grades 3-11 for Math & Science
    - Shelton will use the Mean and Standard Deviation when analyzing student outcomes
    - Grade levels have different student goals and standards
  - Science follows the same structure as Math when recording out student achievement
  - This information will be imported into IC shortly for district use
  - The team also viewed SRI data available in IC Tableau
    - How to find District Data Team Visualizations = IC – Data VIZ – District Data Team – then hunt for you information
- DIP Draft – Working Session – 60 min
  - The DIP Draft for 2015-16 was distributed for review and input
  - The draft DIP was used as a working document to fill out necessary data in order to create a final edition of the District Improvement Plan based on projected student growth using NWEA and SRI data

**Tentative Agenda Items for next meeting:**

Review of 2015-16 District Improvement Plan – 20 min

Discussion of acquiring a secondary Science representative for the DDT – 10 min

**Sub-Committee Reports:**

School Climate Committee - Karen Crosby – 10 min

STEM/JAM/Career Pathways – Kathy Riddle – 10 min

Literacy Curriculum Committee – Vicky White – 10 min

Math Curriculum Committee – Jen Rua – 10 min

Science Curriculum Committee – Tina Henckel – 10 min

Special Education Committee/Transitions – Liz Hannaway – 10 min
