Reports by Standing Committees

James Orazietti made a motion to name the Shelton High School sports complex after Joseph Benanto; seconded by Paula Ellis; discussion. James Orazietti noted that the Recognition Policy voted on by the Board at its meeting in September was incorrectly numbered, and Mr. Orazietti felt the new policy was not in effect, therefore allowing his motion. Chairman Oppel stated he felt it was the Board’s intent to vote on Recognition Policy #1170.1, a document that had been circulated a number of times amongst all members. A short recess was taken from 7:54 to 8:06 to research Robert’s Rules. Discussion continued. Timothy Walsh moved to table the motion; seconded by Thomas Minotti. Paula Ellis asked for clarification of the motion. Chairman explained the motion made was to table any vote on the original motion until the next regular meeting of the Board of Education. Vote on tabling the motion was taken: 5-3 (Nays – James Orazietti, Francis MacIlvain, Paula Ellis). Motion carried.

Building & Grounds – Eugene Kierce discussed the need for visibility and accountability in the system.

Mr. Minotti said it was suggested to develop a system-wide district calendar to be available on the website for use by all faculty, staff and community. The Student Discipline Policy will remain under review until the next committee meeting on December 1. Due to the upcoming election, holidays, early dismissals and conferences, no meeting is scheduled for November. Mr. Minotti thanked committee members.

Personnel – Timothy Walsh said there should be future discussion and a policy concerning the types of appointments the Superintendent can make without taking them to the Board (temporary appointment authority). James Orazietti discussed the status of the job coach position previously voted down in August.

Finance – Allan Cameron presented the line item transfers which were voted on by the Finance Committee.

Timothy Walsh made a motion to approve the line item transfers outlined on the handout as recommended by the Finance Committee; seconded by Arlene Liscinsky, vote 8-0; motion carried.

Year to date, the high school was 20% below the average for the past 6 years in utilization of electricity, due to the relighting project.

James Orazietti asked if handouts could be included in packets rather than just prior to voting, as it is difficult to review within a few minutes.

**Reports of Special Committees**
