Comments by the Board Chair
Chairman Walsh commented that it is self-evident that the Board has had deep discussions and are very bothered about a number of areas. He said most of the troubles arise from the deficient budget received from the city fathers. He commented that the Board does not have enough to operate at the level they would prefer; and although there may be differences at times, they will do their best to give the students a quality education in Shelton.
Reports by Standing Committees

Athletics – Paula Ellis stated the committee has a large task assigned to it with a job they don’t want to do but understand the need for pay to play. She said due to the current budget situation, it will be necessary to impose some form of pay to participate. Mrs. Ellis said she is in discussion with the Finance Chairman and Committee about the amount of money the Board wishes the Athletic Department and clubs at the high school to absorb as part of our budget. She said it is a lot to put on the backs of the parents and efforts are being made to lower the number and find a fair way to handle pay to participate. The committee will meet on Wednesday, June 2, at 4 p.m., at the high school.

Building and Grounds – Win Oppel said the committee met earlier this week to look at the building use form to include more information from applicants. Mr. Oppel stated the oil tank is installed and the fence is up at Elizabeth Shelton School, but the bigger issue will be draining and removing the tank and determining if there is an environmental issue. That work will take place after the students leave for the summer. He said the gym floor at Mohegan will have to be replaced at an expense of about $10,000 due to a pipe deterioration that caused damage to the floor. He clarified that a section of the floor needs to be replaced and most it re-sanded. Mr. Oppel reported that the Perry Hill move is going well. He said Jay Francino-Quinn is working with the Long Hill School PTA to move the playscape from Central Office; Jay has also examined the playscape at Lafayette and will initiate talks with Sunnyside about moving to that facility. Win Oppel reported the committee is looking into contracting for HVAC services, and Bill Banfe is soliciting some parameters for the ice storage system at Perry Hill as well as the intermediate and the high school.

Cafeteria/Transportation – Kate Kutash reported the committee met and discussed cafeteria issues for next year. She said Sodexo is hosting the Board for dinner on Wednesday, June 9, at 6:00 p.m. to discuss expectations and what we would like to see in their program. Board Members were asked to RSVP to Allan Cameron.

Curriculum/Policies/Technology – Thomas Minotti stated the committee did not meet due to schedule conflicts and budget meetings; June meeting will be announced.

Personnel Committee – Mike Pacowta said the committee met on June 12 to discuss several pending items; continued discussions will held with a report to the Board when appropriate. He noted the May 25 meeting was postponed due to budgetary discussions. Final year’s evaluation of the Superintendent was to have been discussed. Mr. Pacowta said he received 8 of 9 evaluation reports from Board Members and anticipates receipt of the last report. The committee will meet sometime in early June.

Finance – Arlene Liscinsky gave a reminder that the Board will meet on May 27 at 7:00 p.m. to continue budget discussion.

The CABE Convention will be November 19-20; more details to follow. Mrs. Yolish will leave information in mailboxes on CABE’s annual Legislative Wrap-Up Workshop held in May. Chairman Walsh mentioned the Board has been working with CABE and the Connecticut State Department of Education on the Lighthouse Project, and Nick Caruso of CABE recently announced Shelton’s region has been changed to Area 6.

Unfinished Business

Kathy Yolish said she will be preparing articles for a summer issue of Shelton Life. One will be about the Lighthouse Project and another on being a board member. She asked Board Members to contact her with any suggestions. Mrs. Yolish informed Board Members that she purchased plastic portfolios to be used for agenda packets, which need to be returned to Mrs. Luther at each Board Meeting for reuse. Paula Ellis gave a reminder that graduation will take place on June 18, rain or shine.

Adjournment
