

Thursday, May 8, 2014
9:00 p.m. – 10:30 a.m.
Conference Room A
Central Offices

Agenda for DDT Meeting:

- *DIP - High School DIP Target update*
 - Data has been input into the high school's portion of the DIP in order to gauge effectiveness and necessity of the presumed benchmarks – review and discussion at a later date
- *Next Steps - SRI / SMI to support individual school's data analysis*
 - The plan will be to use the current SMI data collection for analysis of scores and determine effectiveness of analysis model
 - The SMI Sub-Committee will be convened to discuss and review future process and protocol re: score analysis, student & school improvement

Next DDT Meeting Agenda Items:

- Report from SMI Sub-Committee
 - Questions posed
 - Benchmark and/or Curriculum study
 - What modifications need to be made
 - Next Steps
